

CHATEAU AUX ARC

MEMBERSHIP

1. CHATEAU TASTING PROGRAM (CTP)

The CTP is created with you, our loyal customer in mind. This select group has priority in receiving shipments of our latest releases, bestseller wines and wines produced at smaller quantities (i.e. Aux Arc Port & Champagne). As a CTP member, you have the choice to receive shipments of three, six, or twelve bottles twice in the year (March 1st and September 1st). You can also create your shipments with your preference of red, white or a combination of both red and white wines.

2. THE A LIST

The A List introduces the sweet stickies of the world, Chateau aux Arc's collection of sweet delights. As an A List member, you can design three, six, and twelve bottle-packages of Chateau aux Arc's dessert wines of your preference. You will receive these shipments twice in the year, on March 1st and September 1st. Should you place a new order thirty days after your shipment has been sent, you will receive a 30% discount.

BECOME A MEMBER....

Joining the CTP or A List is absolutely free, and will be valid only for as long as you desire. Your credit card number will be kept in our records and charged prior to the shipment of your wine. All our members are required to be at least 21 years old to be part of either program, and the signature of an adult will be required to accept the delivery. By law, we can only ship to customers that have visited our tasting room and filled out the attached Chateau membership form. (If you are receiving this information by mail you are in our system and can sign up today!) We are unable to ship to Utah, Tennessee, or Maryland due to current shipping regulations in the wine industry. Nevertheless, state laws are constantly changing so should you have any questions please contact us at 800.558.WINE, or visit our tasting room.
